INT. COFFEE SHOP - DAY

A cozy coffee shop with warm lighting. JOHN (20s) sits at a corner table, nervously checking his phone.

JOHN

I hope she shows up.

SARAH (20s) enters, looking around. She spots John and smiles.

SARAH

John! Sorry I'm late. Traffic was terrible.

JOHN

No worries at all. I just got here myself.

Sarah sits down across from John.

SARAH

This place is lovely. How did you find it?

JOHN

My sister recommended it. She says they have the best coffee in town.

BARISTA (O.S.)

What can I get you folks today?

SARAH

I'll have a cappuccino, please.

JOHN

Make that two cappuccinos.

BARISTA (O.S.)

Coming right up!

John and Sarah smile at each other.

SARAH

So tell me about your new job.

JOHN

It's been amazing so far. The team is great
and the projects are really challenging.

SARAH

That's wonderful! I'm so happy for you.

FADE OUT.
